### 2008 OSDPN MEETINGS & RSVP

#### **THE OHIO SPECIALIZED DOCKETS PRACTITIONER NETWORK**

With over 100 specialized dockets in operation throughout Ohio, the Supreme Court of Ohio, the Ohio Department of Alcohol and Drug Addiction Services and the Ohio Department of Mental Health have recognized the need for interaction among the professionals that staff these courts. In order to provide such a forum, the Ohio Specialized Docket Practitioner Network was created to provide peer support and technical assistance to these programs. The Network is comprised of several sub-networks that meet by discipline. These sub-network meetings allow specialized docket practitioners to discuss the challenges and successes they have faced in their specific role on the specialized docket court team. In addition, the sub-network meetings offer opportunities for specialized docket professionals to provide program updates, discuss program operations, and discover innovative and effective strategies employed by other specialized dockets. If you are a member of a court's specialized docket team and would like to participate in the Network or learn more, then please contact our office at (614) 387-9425.

Five years in the making, state legislation to help relieve prison overcrowding and ease the path for released inmates to re-enter society was approved yesterday by the Ohio House.
