Legal periodicals are shelved on the 14th Floor in alphabetical order, with "A" starting on the north end and "Z" ending on the south end. Periodicals that have changed titles are shelved with the old and new titles together; therefore, the alphabetical order is approximate. The call number is the final determination of the order. The most frequently

used range of call numbers is K 1 – K 30 (law periodicals A to Z). Other call numbers are interfiled to maintain alphabetical order. Bar Association annual reports are shelved alphabetically in their own sequence at the south end of the floor.
